

LORIE DOOLITTLE-BOWMAN, AIA

Principal

Lorie Doolittle-Bowman is a graduate of the University of Kansas School of Architecture, and is a lifelong resident of Kansas City. She has directed the architectural practice of BBN's Kansas City office since 1990, providing vision and leadership for many of the firm's award-winning projects, including the King Estate Winery in Eugene, Oregon. Her work demonstrates a commitment to detail and strong sensitivity to the integration of nature and architecture. With the ability to manage large projects and facilitate consensus among designers, consultants, clients, and public agencies, Lorie is a strong resource for the firm.
