

# SCOTT BINGHAM, ASLA, PLA, LEED-AP

## Principal

Scott Bingham is Principal Landscape Architect with BBN Architects and leads the site planning and landscape architectural efforts for the firm. Scott is responsible for a wide variety of project types, ranging from outdoor plazas and parks, athletic complexes, natural stormwater systems, to the grounds for some of Kansas City's most recognized institutions. This diversity of experience brings a comprehensive approach and set of skills to every project, regardless of its scale or purpose. From a project's early conceptual design to its post-occupancy evaluations, Scott is dedicated to seeking out new methods to bring the most value to both our clients and the design teams we collaborate with. As project manager, Scott will administer and coordinate all services for the contract. As *principal of the firm*, he has the authority to commit full resources of the firm.
