BRENT BOWMAN, AIA
Principal

Brent Bowman began his career in Phoenix, Arizona and relocated to Kansas in 1977. In 1979 he founded Brent Bowman and Associates where he was Principal and Director of Design until BBN was created in 2004. As lead designer, Brent directs the work of the design team from schematic design through project completion. He has directed a diverse range of projects including libraries, university buildings, education facilities - both primary and secondary, municipal facilities, downtown master plans and redevelopment projects, office buildings, renovations of historic structures, religious buildings, retail projects and private residences.
