

# AUSTIN MASSOTH, AIA, LEED-GA

## Principal

Austin Massoth joined BBN Architects in 2004 upon graduation from Kansas State University and in 2017 was elevated to the position of Principal within the firm. Austin has served as Project Manager/ Project Architect for a wide range of project types including municipal, commercial, educational, and recreational facilities, along with park, plaza and streetscape improvement projects. He plays an active role in all phases of programming and design, including facilitating discussions and workshops with clients and team members, completing drawings and specifications at each stage of a project, and handling construction administration as designs are brought to fruition. His attention to detail and quality control prove to be invaluable to clients and projects.
