

# LOGAN STEINER, AIA

## Project Architect

Logan is a Manhattan area native and joined BBN Architects in 2008 following graduation from Kansas State University. Logan has played a significant role in production and administration for several of the firm's commercial developments, educational facilities, student housing for the Greek community at Kansas State and office space projects. Several of his recent projects include the Midwest Dream Car Collection, Manhattan, Kansas; the Sigma Chi Fraternity Renovation, Manhattan, Kansas; Johnson Administration Building at Rock Springs 4-H Camp near Junction City, Kansas; the Tallgrass Tap House in downtown Manhattan; and the Delta Upsilon Fraternity Addition & Remodel, Manhattan, Kansas.
