

PATRICK SCHAUB, AIA, LEED-AP BD+C

Principal

Patrick Schaub studied architecture at Kansas State University where he was recognized with the AIA Gold Medal for Excellence in Architecture. In 1989, he joined the firm of BBN Architects, Inc. and became a Principal in 2004. He has served as Project Manager / Project Architect on diverse projects, with a depth of experience in public architecture, university projects, and research facilities. Patrick has worked extensively in the planning and design of municipal facilities for the City of Manhattan including the Joint Fleet Maintenance Facility, the City Hall Remodel and Addition, the Manhattan Public Library Children's Library Addition and the Municipal Court Security Improvements.
